

Application for participant contributions

Initial Application

Applying for participant contribution for the first time.

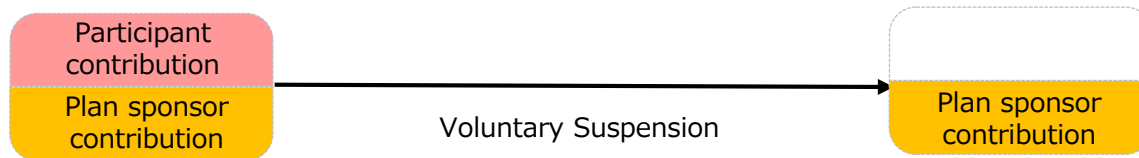

Change

Applying to change (increase or decrease) the amount of participant contribution. You can change once a year within the designated acceptance period.

Voluntary Suspension

Applying to suspend participant contribution voluntarily.

Resumption

Applying to resume voluntarily suspended participant contribution.

There are two types of corporate-type DC plans introducing Matching Contribution:
“The plan you can apply for Matching Contribution on AnswerNet by yourself (Wide Support)” and
“The plan you need to apply for Matching Contribution by contacting your company.”
