Specify dates to

[← Return to previous screen](#)

1 Date Range

Click the button next to either "Period" or "Specify dates".

Then, either click one of the periods available in the drop-down list next to "Period", or click a desired start date and end date in the date drop-down list next to "Specify dates".

You can access account activity for the last twelve months.

2 "Submit" button

Click Submit to view the search results.

Access History - Search Result

The screenshot shows the 'Access History' page. At the top, there is a header 'Access History'. Below it, there are two input fields: 'Display data for:' and 'Period: Current month'. A table with two columns, 'Date and Time' and 'Details', is highlighted with a red dashed box and labeled '1'. The table contains two rows of data. At the bottom left, a link 'Return to previous screen' is highlighted with a red dashed box and labeled '2'. At the bottom right, there is a 'Page Top' link.

Date and Time	Details
2024/02/06 11:06:59	Change Password
2024/02/06 10:21:34	Contribution Instruction

1 Access history

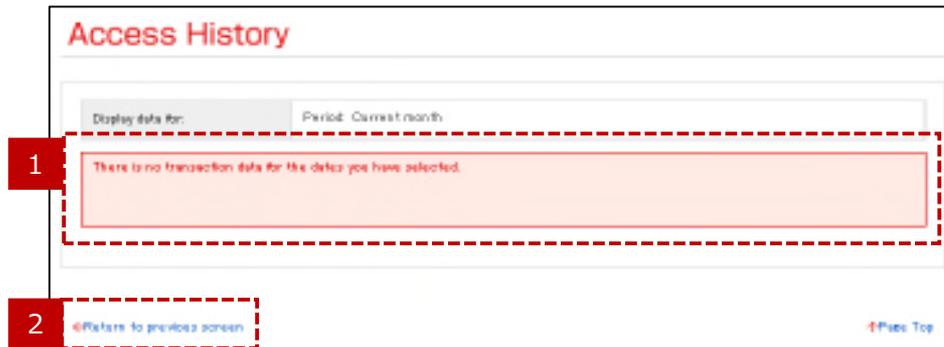

This section displays information pertaining to account access over the specified period.

2 "Return to previous screen" link

If you wish to see details for a different period, click "Return to previous screen" and re-enter all required information.

*You can access account activity for the last twelve months.

Access History - Search Error

1 Error description

No data is available for the period specified. Generally, account access information is available the day after an account has been accessed.

2 "Return to previous screen" link

If you wish to see details for a different period, click "Return to previous screen" and re-enter all required information.
